Hi all

I have received a number of calls relating to Mangawhai and a number of you have suggested we all come together to discuss what is and has happened. A meeting will be held at 2/1 William Pickering Drive Albany (Cinderella Office Level One signage on the building) at 11:00am on Wednesday the 24th of October. Topics to discuss will be as follows:

- * Current state of titles
- * Communal facilities
- * Other Matters

It is encouraged that if you have any correspondence of information that you would like to share please bring it to the meeting to discuss. We are all in the same boat.

This email is sent without prejudice and is sent as a response to a number of people who have contacted me asking for a meeting. The intention of the meeting is for a group of people to get together and discuss a common project and my part is the offer of a location for the meeting. I will however be attending as a purchaser and will discuss any matters relating to the development and the contact we all signed. The meeting will be held without prejudice. I know I have missed some people off the list so feel free to forward this email on to other purchasers.

Look forward to seeing you all

Yo

How are you my man? Have cleared up at Cinderella and I'm sure you have got things back on track...

Mate I need to follow up big time on my last email as I said before, I would not ask, but I do need to get this money back to pay the bank here as it is getting a bit worrying as they are being bastards...

As I put this money in for both of us for the development, I just need it back as it is hard being so far away and not able to be in control of it all and if you can make the payment as you mentioned you would and could and when that money comes back it is obviously yours...

I really do need this or I would not ask and it isn't like me to ask but I do need it and as that money is protected and you said it would be back shortly so I'm sure you will do everything possible to get it back in your hands...

Can you give me a call or tell me the best time to call you so we can sort it out...

Hope you are well fool and things have settled down

Hey mate

I need to know how you are moving forward with return of the deposits my man...

Matt, I need this money as I am receiving letters from the bank for payment, with court proceedings and this is getting pretty serious mate.

My credit has already been affected and they are threatening me in a big way.

You said to me that I will get the deposits back, so can you pay me the money \$50k and then I will let you take the deposits when they are eventually paid...

Mate I need this as I paid this money to you for all of these investments under the proviso that we would naturally get it back. This has put me in financial stress and I can't continue big guy...

Let me know mate
