Mr Blomfield,  
I am disappointed (and i base this on my considerable knowledge of you) to see you state - "I don't want a cent".  
This is not the Mathew Blomfield i know.

Excellent.  
Yes he does need to be removed.  
He is really Mr Powell's puppet.  
We need to also find a way to alert the US authorities about Mr Powell's alien status and have him returned to New Zealand.  
Spent all of the afternoon and part of the evening with an Australian firm who do a lot of Venture and seed Capital raising.  
Very interesting . A lot going on over there Matt.  
They had over 300 applications last year for seed capital raising - 300 !!!!!!!.  
And these guys are very small as a Firm.
