Hi Anthony

Can you please respond to the attached letter of 27 August 2012. Of further note the following paragraph is contained in Mr Slater's Statement of Defence. The SFO has in the past said that this was sent to you.

- (b) He had possession of a filing cabinet of physical files relating to the affairs of the plaintiff only for a short time before he transported them to the Serious Fraud Office at the request of a third party.

Could you please enlighten me to how I will get my files back and if you in fact have them?

Regards

Matthew Blomfield
