Matt you may have noticed I have had a very busy week dealing with Compensation issues! Anyway just

printing off your file and noticed Stephen Franks acting for Slater - he - Franks - is no slug.

Also could you please send your notices of Honest opinion not genuine and your response to their affirmative defences.

Will be in touch

Cheers Joe

Perfect thanks Joe.

I was aware of it. The Judge asked that we don't file anything until the Security for cost hearing is dealt with. I think I'll do it anyway, be that the hearing was put off.

Cheers

Hi Matt,

This might be something you have overlooked because it is not in the Defamation Act but is in the court rules.

See attached example of my response in the Trademe case. You are supposed to file this within 10 (or maybe 20) working days of their statement of defence but I am sure the judge will grant you leave if you show it was an oversight and the other side is not prejudiced. Give me a buzz if you need to discuss further.

cheers Joe
